Another Rival to the Great Mammoth Discovered.

[By telegraph to the Dispatch.]

Chicago, December 27.—A special from Bloomfield (Ky.) says: J. A. Alten, of this city, while excavating the foundation for a new mill, struck the dome of a cavern of immense proportions, from which a strong current of cold air issued with great force as the workmen made the opening. Torches were procured, and Mr. Allen and Mr. Gain Hurst were A private telegram received here yesterday afternoon from Baltimore stated that in the Siggins habeas-corpus case Judge Bond had ordered the disclaration of the cave, which they found to be level and small stated. covered an opening in a cliff on the farm of Mr. Benjamin Wilson, and a well-beaten path was easily discerned that was pons in payment of two tax bills; was len and Mr. Hurst, after emerging from convicted under the act passed by the General Assembly at its extra session reported their discoveries. A large to North Carolina, where Judge Bond numerous evidences existed that the was holding court, and sued out a writ of place had evidently been the abode of the cave men, as numerous relies were Mr. Royall was expected to return found in the shape of pottery and bronze from Baltimore on the late train last night. most instantly it was discharged. Harry says that he cannot recollect that he touched the trigger, so quick did the relate last night, said: Extensive pretions in the cave are beautiful beyond description.
